CAUTION: KEEP OUT OF REACH OF CHILDREN

FDA/USDA 21 CFR, Part 182.1 - 182.20 US PATENT NO. 5,240,708

1 Gal. (3.785 L.)

PRODUCT DESCRIPTION

Eliminate cobwebs both indoors, outdoors or anywhere cobwebs are noticed with 100% natural ingredients. Cobweb Eliminator will not stain and has no long lasting odor. The mildly acidic odor noticed after application indicates the product is effectively working, and usually disappears in 24 hrs. Cobweb Eliminator deteriorates the webs' attachment points making for easy removal and maintains a neat and clean appearance. It also discourages the reformation of cobwebs. Expect 15% of webs to resurface around light sources after initial treatment, spot treatments are then suggested for best results.

DIRECTIONS FOR USE

SHAKE WELL and do not dilute. Adjust nozzle to stream. Applications should completely wet the area, then remove the web residue with a stiff-bristle broom. Do not rinse after application. Cobweb Eliminator may be applied indoors/outdoors on paint, metal, fiberglass, concrete and masonry. Reapply as often as needed. Notice of disclaimer: The manufacturer makes no pesticidal claims with regard to this product. **INGREDIENTS APPROVED BY FDA/USDA IN ACCORDANCE WITH 21 CFR PART 182.2.** Authorization to use Cobweb Eliminator in food processing has been received from FDA/USDA. Cobweb Eliminator may be used in animal handling areas and on food crops. However, due to the "Lens Effect" recommendations are to apply to plant life in morning or afternoon hours. 100% natural, biodegradable, nonflammable, non corrosive, may provide a better alternative around poison sensitive areas when used as directed.

800-299-NATURE (6288) P. O. Box 682 Pelham, GA 31779

Dr. T's recommends using eye protection when applying Cobweb Eliminator overhead or outdoors in windy conditions. It is recommended to vacate an area for five hours after applying the product in an enclosed area.

CAUTION

Even though contents are all natural, contact with the eyes may cause irritation. If contact with the eyes or skin occurs, flush with running water for 15 minutes. **CALL A PHYSICIAN IF NEEDED. KEEP OUT OF REACH OF CHILDREN.** Use only as labeled.

STORAGE: Store unused product in a dry, well-ventilated area inaccessible to children. Do not store in areas where temperature exceeds 85 degrees Fahrenheit.

DISPOSAL: Do not reuse container. Wrap and discard in trash.
