

Air Matic Sani Mist

#1343

Metered Air Sanitizer for Bacterial & Virus Control

Product Information Sheet

Features

- Reduces Airborne Bacteria
- EPA Registered
- 3000 metered sprays in each can
- Programmable dispensing allows for maximum cost & control and automated sanitizing

Description

Air Matic Sani Mist sanitizes the air and controls odors as well. The active ingredients in Sani Mist actually cleanse the air with glycolized action. Lighter than air particles are dispersed into the air where they linger for up to 3 to 4 hours encapsulating airborne bacteria and odors. Air Matic Sani Mist reduces airborne bacteria and destroys odors at their source rather than simply masking the odor. Each metered spray actually cleanses the air and leaves it with a light lime fragrance. Whether transmitted by air, animal or by man, Sani Mist effectively eliminates bacterial and viral pathogens making the area a cleaner, safer place for everyone.

Applications

- Offices
- Restrooms
- Schools
- Offices
- Nursing Homes
- Hospitals
- Lobbies
- Nursing Homes
- Clinics
- Sick Rooms
- Food Processing Areas
- Clinics

Directions

Remove cap from can and place in sequential aerosol dispenser with spray head beneath actuator, nozzle facing front.

Product Characteristics

Appearance	Very dry spritz
Fragrance	Mild lemon
Specific Gravity (H2O=1):	0.65
Solubility:	Appreicable
Boiling Point:	N/A
Melting Point	N/A
Vapor Pressure (mmHfg):	3,621
Flash Point:	N/A
LEL:	N/A
UEL:	N/A
Transport Information	
Class #	60
NFMC	57100-3
Proper Shipping Name	

Health	1
Flammability	4
Reactivity	0
Personal Protection	G
