

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: Do not use in edible product areas of food handling establishments, restaurants, or other areas while food is exposed. Avoid contamination of feed and foodstuffs. Apply only in areas inaccessible to children and pets.

Indoors: Apply DRAX Ant Kil-PF indoors in areas where ants are seen. Areas include behind the refrigerator, stove, around water pipes, in cracks and crevices around windowframes, baseboards and shelves. Reapply as needed.

Outdoors: Where ants are seen entering the building, place small pea-sized baits along walkways, directly on ant nests and in cracks and crevices around window and doorframes. Reapply as needed. DRAX Ant Kil-PF can also be dispensed with a syringe-type pistol.

DRAX Ant Kil-PF is a long-lasting paste designed to be used for the control of protein and grease feeding ants.

STORAGE & DISPOSAL

STORAGE: Store in original container away from food and feedstuffs. Keep product in a locked storage area inaccessible to children and pets.

DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

Authorized for use under USDA Inspection & Grading Programs.
